BEJANA

INDONESIAN COFFEE

KOPI TUBRUK (unfiltered coffee)

Bejana offers two favorite selections of famous Indonesia coffee to complete your dinner:

TORAJA KOPI

Indonesia's renowned Toraja Coffee comes from the finest coffee plantations in the fertile region of Tana Toraja in South Sulawesi, where superb quality Arabica 'Toraja' beans are selected, carefully blended and expertly roasted to yield a rich full bodied flavor and magnificent fruity aroma.

BALI GOLD KOPI

From the finest coffee plantation in the fertile region in Indonesia, superb quality beans are selected, carefully blended and expertly to yield a rich full bodied; moderate, well balanced acidity and multi-dimensional aromatic character with prominent nutty and pleasantly sweet notes.
