

Master Wine List

WINE PHILOSOPHY

Welcome to Shangri-La's Villingili Resort and Spa, Maldives.

It is my great delight to introduce you to our resort's wine program through our master list, where our team has selected an array of wines from around the world to engage you in an enchanting journey.

The wine experience is never complete without good company and tantalizing cuisine. Travel through the continents of the world with our selection of internationally acclaimed wines from award-winning producers, boutique wineries, and discover hidden gems from emerging regions and historical wine sites. Savor each drop with the complementing cuisine of our talented culinary brigade.

Being in the Maldives, Shangri-La's Villingili Resort and Spa also recognizes the importance of sustainability as a part of our daily lives. As such, we continuously strive to feature wineries that encourage sustainable viticulture, as well as organic and biodynamic practices.

A good bottle of wine is a testament of nature's many gifts to mankind and the talents of great winemakers at their crafts. In this wine list, I hope you find your favorite wines that celebrate this essence of greatness, and most importantly, keep you coming back for more!
