

TAPA  
SAKE

Led by her husband Kawakami, Japanese actress Sada Yacco set off to leave the small town roots of her father's Sake Brewery in search of the Western limelight.

While she deeply cherished her earthly surroundings, the call of the unknown was enticing her to explore a world outside of her humble beginnings.

Having made the long journey West, Sada and her troupe landed in Europe, bringing a new earthly appreciation to the forefront of European attention.

Echoing this cultural harmony, Tapasake unifies Europe's small plate dining experience with Japan's earthly refinement to re-establish a connection with nature and authenticity.
