BLUE JADE

At Blue Jade, we are proud to take our guests on an enchanting journey through the East. We highlight the diversity of flavors and aromas by combining the authentic flavors from Vietnam, Thailand, Singapore, Japan & China with a contemporary approach & presentation.

The stone, Blue Jade, also known as the ultimate "Dream Stone", is a talisman of peace and serenity. It calms and restores, like a veil of slow moving clouds covering the moon. It is widely used to temper emotional upheaval and to restore equilibrium.
